WINE ENTHUSIAST 91 Points & Cellar Selection

A complex, mineral-driven wine named for a 6-acre parcel of prime silex soil - clay, flint, limestone, silica - found on choice hillsides of France's Loire Valley. It explodes in the mouth, creating an ideal blend of crisp minerals and white stone fruit. Tense with acidity, Cuvée Silex delights those who love Sauvignon Blanc bold and beautiful.

Pair with:

Tender Pork, Crab, Lobster,
Oysters, Shrimp, Spicy Dishes,
Goat Cheeses,
Fresh Salad Greens
