Ratings: 92 Points Wine Enthusiast

Claude Fournier and his family have been making wine for 13 generations. After many years of hard work Domaine Fournier is now one of the most important estates in Sancerre.

The family has worked tirelessly to produce top quality wines; combining family winemaking traditions with advanced facilities including custom made tanks and a modern winery design that incorporates hand sorting of the grapes and the use of gravity to ensure delicate treatment of the must (juice). Over the last 50 years they have grown the Fournier Estate from their father's 13 acres to 222 acres in Sancerre, Pouilly Fume and Menetou Salon.
