Sauvignon Blanc 2020

Founded in 1955 by a fifth-generation winemaker, Fournier Père et Fils has grown from a four-hectare micro estate to a leader in Sancerre and the Central Loire Valley. Top quality productions from entry level to single vineyard.

The entire team is dedicated to keeping the terroirs in their best possible condition and sustainable methods are key to this effort. They are currently in conversion to HVE3 (High Environmental Value) for their own holdings.

Sancerre may be the most popular but just down the river you can still make spectacular Sauvignon Blanc. They have found beautiful parcels of Sauvignon and Pinot to offer an entry way into the Eastern Loire valley without paying Sancerre prices.

Varietal: 100% Sauvignon Blanc

Vine age: avg 15 years

Alc %: 13.5

Tasting Note: Bright citrus with medium weight. Rich and dense supported by a long finish

UPC: 3285640201957

90 Pts James Suckling

Gooseberry, lemon zest, green peach and guava on the nose. It's medium-bodied with bright, tangy acidity. Fresh, fruity and crisp. Drink now.
