The Trusted Choice in Estate Wines

Domaine Fournier Sancerre “Caillottes”

A bottle that will age and enjoyed for years to come, this Sancerre varietal boasts young and vibrant finishes.

WINEMAKING & AGEING Grown and matured in ‘early-ripening’ soil due to the sunlight reflection from the light-colored and pebbled terroir. The grapes are delicately pressed in a pneumatic press. Prior to the fermentation, the terroir expression is maximized by an contact between the clear juice and the fine lees for at least 8 months. A cold temperature fermentation ensures a slow fermentation that reveals the complexity.

TASTING NOTES With its pale color and subtle nose, the Caillottes is a delicate wine. A typical expression of the Sancerre Blanc style, this cuvée is refreshing, unctuous and lifted by citrus aromas. The palate lingers on a long mineral and aromatic finish.

Founded in 1955 by a fifth-generation winemaker, Domaine Fournier Père et Fils had grown from a four-hectare micro estate to a leader in Sancerre and the Central Loire Valley. The Sancerre vineyards include top sites in the villages of Verdigny, Sancerre, Bué and Sury-en-Vaux.

In 2016, Frédéric Jacquet joined as a winemaker. Frédéric was born and raised in the small village of ‘Gron’, east of Bourges. Since childhood, Frédéric has always taken care of the vines that his grandfather cultivated. Frédéric has become a renowned oenologist.

After more than 16 years of experience in the upper Loire vineyards Domaine Fournier Père et Fils remains committed to sustainable production. Rainwater is held and reused in the vineyards and the use of fossil fuels and pesticides is restricted to the bare minimum. The entire team is dedicated to keeping the terroirs in their best possible condition and sustainable methods are key to this effort. They are currently in conversion to HVE3 (High Environmental Value).
