Château de Pizay is one of the oldest and most famous estates of the Beaujolais region. Since the Middle Ages the fine wines of the Château de Pizay have been appreciated by Gamay-lovers across the world. The oldest records date to 1030. The terrain is granite, covered with a light sandy soil, ideal for the Gamay grape. Winemaking combines tradition with the use of stainless steel, semi carbonic fermentation and modern temperature control methods to ensure the preservation of fruit and the freshness of the wine. This bottle represents an easy entry point into Beaujolais and the Gamay grape - balanced, approachable and versatile.
