Côtes du Rhône

2022

This distinguished Southern Rhône estate has hosted five generations of winemakers over the last 125 years. Today, Florence Quiot and her brother Jean-Baptiste are at the helm and continue the tradition of crafting superior Côtes du Rhône from a patchwork of vineyards that span six appellations of the Southern Rhône. The gravity flow winery is located along the Trignon River dividing Sablet and Gigondas. Access to parcels of the best vineyards from the valley floor to the highest altitudes of the appellation give rise to wines of great character and complexity.
