Marsanne

2022

This distinguished Southern Rhone estate has hosted five generations of winemakers over the last 125 years. Today, Florence Quiot and her brother Jean-Baptiste are at the helm and continue the tradition of crafting superior Gigondas. Their vineyards are spread across six appellations of the Southern Rhone Valley; and, for all, they take the long view, often waiting years before replanting a parcel to ensure conditions in the soil are perfect for vines to thrive for 100 years or more. Château du Trignon was upgraded to make use of gravity flow, protecting the grapes from damage, and preserving the delicate characteristics.

Marsanne is a rare grape varietal that is being resurrected by the Quiot family. Their terroir in the Cotes du Rhone allows for an exceptional expression of this special grape.
